Dear Ms. Bernard,

As a recipient of the 2020-2021 "Jamaican Canadian Association for Nurses Scholarship", I wanted to thank you for selecting me as an awardee. I was very excited to learn that I have been selected and I am appreciative of your support of my education.

I have hit the ground running in my final year of the nursing program at the University of the West Indies and, though challenging, I am motivated more than ever to finish so I can start serving my community. Thanks to your group, and the blessing of \$1200 CAD, I am one step closer to reaching my education and career goals.

Thank you again for your investment in students like myself and in our education. By awarding me the "Jamaican Canadian Association for Nurses Scholarship", you are allowing me to focus on the most important aspect of school, learning. I hope that one day I will also be able to help a student achieve their goals, like you have helped me. Thank you for making this possible.

Yours Sincerely,

Danielle Anderson
